

# Show Jumping

## Festival 2022 Barnadown

### Alice Mernagh

Team scoring:

Worked examples: how a team's result is arrived at.

First Phase: Best three scores to count for first round team total.

Second Phase: Best three scores PLUS TIME to count for second round team

Results in red did not count towards the team totals.

The competition will be run as a two-phase competition with riders proceeding immediately to jump the second round. Best three scores in first round are added to best three scores plus their time in the second round.
